Basildon has just published its new Replacement Local Plan

. On Gypsies they say:

3.68 It is unreasonable to expect planning permission to be granted for sites for Gypsies not having strong ties with the district. Accordingly Gypsy applicants need to demonstrate that they reside in or commonly resort to the district,.

Policy BAS H5]

The Council will determine planning applications for sites for residential occupation by Gypsy families with regard to...

....2. The strength of connection to the District of the applicants.

This is of course contrary to circular 1/94 but similar policies have crept

in where Inspectors did not notice this

objections especially by organisations, professors of
Romany Studies needed

these have to be on a form in theory obtainable on the
site

www.basildon.gov.uk/planning \

which I can't reach

though basildon.gov.uk

and then go through the planning stuff to get to the
form eventually

however I cannot print out the form (not enough
memory - possibly because it
includes the Council's crest)

Another way to get the form is supposed to be to email
local.plan@basildon.gov.uk

and form sent back by July 9

I will try and get a form via e-mail and go on from there
